

The Society's Aims

- To protect and enhance the character, charm and scale of Wendover
- To support the maintenance and improvement of features of all kinds that can contribute to a pleasant quality of life in Wendover
- To pursue these aims in co-operation with other local, national and statutory organisations
- The Society is a registered charity which does not engage in any party political or religious activities and is non-profit making

The Society organises social and informative events, monitors planning applications and often consults members on relevant issues.

Membership Fee

Membership costs £20 per annum and becomes due on 1 April annually. The fee covers all members of the household who are of voting age and wish to be members of the Society. Please pay by standing order if you can in order to minimise our administration and costs.

We ask all members and their nominees to provide us with an email address if they have one. Most of our consultations can only be sent by email due to high cost of postage and also urgency in some cases. Your email address will never be used for any other purpose by the Society or be passed to anyone else.
